Your off road expert 4x 4 chauffeur will take you over some very interesting terrain for this on and off road adventure.

On arrival in Imlil village, you take the last 400m or so by foot or, if you prefer, by mule up to the Kasbah du Toubkal where you will enjoy stunning views and an excellent lunch at 1800m above sea level. .

For your return to Marrakech you may take the usual on road route (90 minutes) or for those wanting to experience more and a longer (4.5 hours) journey, the following page is an option.
