EXTRAORDINARY ROAD TRIPS IN MOROCCO

Designed to enable our clients to enjoy unique on/off road experiences

Expert off road chauffeurs

We offer short stay experiences or extended trips to the Sahara & other regions

GENERAL INFORMATION

TRANSPORT

We use Toyota Land Cruisers or similar that are new or very near new. All are subjected to stringent 6 monthly safety checks in compliance with the law.

OUR TEAM

Each trip is led by a local off road expert who knows the roads and especially the off road terrain intimately. In certain circumstances and mainly for corporate events, clients request a doctor or paramedic on our team & this we can provide.

AIRPORTS

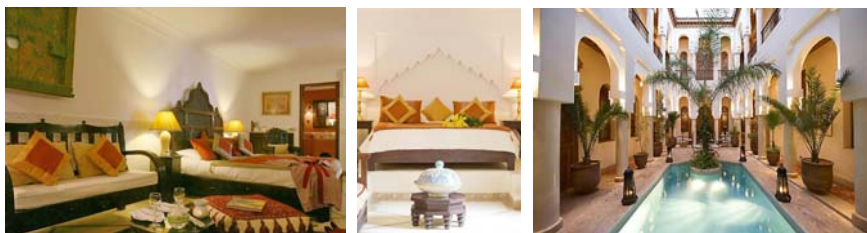

Clients coming direct from the USA will land at Casablanca. There are regular connections to Marrakech airport or, as the new highway has reduced the drive time from Casablanca, we meet the clients in Casablanca and drive them to Marrakech – 2.5 hrs. For those coming from Europe, there are dozens of flights daily from most European capitals, these fly direct to Marrakech.

SAFETY

Whilst we want our clients to have fun and enjoy such a unique experience, safety is paramount. We give our clients full briefings on all the activities and expert instruction.

ACCOMMODATION

For this trip we offer a choice of de luxe Riads or 5* de luxe hotels like the Royal Mansour, Mamounia and the Relais and Chateaux Villa des Orangiers. The accommodation can be on a single room basis or, shared. The photos shown here are representative of the style of accommodation we use in Morocco and do not correspond to any one particular establishment. In the regions outside Marrakech all the accommodation is excellent, rustic but at a very high standard.
